Dear Claimant and Claimant's Counsel:

Pursuant to Sections 2.3 and 4.2 of the Trust Distribution Procedures, and after consultation with the Trust Advisory Committee and the Asbestos PI Future Claimants' Representative, the Trustees of the WRG Asbestos PI Trust have set the Initial Payment Percentage at 26%.

The Trustees took into consideration current estimates of the number, types and values of present and future claims against the Trust, the value of assets currently available to the Trust for claims payments, anticipated processing, administrative and legal expenses, and all other material matters that we and our advisors considered to be reasonably likely to affect the sufficiency of the Trust's assets to pay a comparable percentage of full value to all holders of claims against the Trust.

Yours very truly,

Lewis R. Sifford
Managing Trustee
